- CV/resumé building and mock interviews
- Access to online platforms and digital tools
- Consulting club and webinar engagements

### Mentorship and networking

- Alumni-led mentorship programmes
- Student and alumni networking events
- Strategic industry partnerships

### Skills development

- SBS Executive Development programmes
- Training workshops and masterclasses
- Work-life balance and well-being support

### Research and innovation

- Insights at the intersection of academia and industry
- Thought leadership on the future of work

## Our ecosystem

We collaborate with

- Students
- Alumni
- Employers
- Professional associations
- Government agencies
- Online career platforms

## Our vision

To set a global benchmark in graduate employability through a connected, impactful career leadership model that transcends industries, disciplines and life stages.

Lead your career. Shape the future.
